

4900S SNACK/CANDY VENDOR IN
STELLAR STYLING

INTRODUCING THE 4900S SNACK/CANDY VENDOR. SATISFIES YOUR APPETITE FOR DOLLAR BILLS!

How sweet it is! It's the only Snack/Candy Vendor that accepts dollar bills, as well as change. So you don't lose customers who don't have coins handy. With optional bill acceptor and stacker, the 4900S lets you sell higher priced, more profitable products and offers you a full menu of appetizing new features. □ Well-lit, with the largest display area of any glass front vendor in the industry, the 4900S handles up to 65 selections. Take your

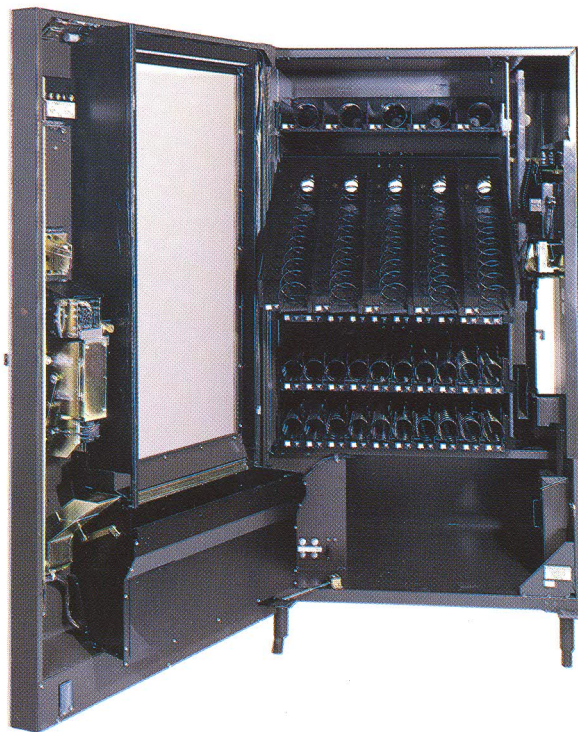

choice of several five and six shelf models and change shelf arrangements in minutes, if you wish. Stock taller products on two shelves and fit wide items on the pastry shelves, if necessary. □ There's a new gum and mint unit that tilts for easy loading and provides for 5 selections. Bright LED's inform the customer of product number selected and money deposited while a 10-digit keyboard adds convenience for both you and your

customers. □ Microprocessor controls make service a breeze and permit on-location auditing with the InterROWE-gator® system. And this vendor can be stocked with the door open 90°. The door also can be easily removed for passage through narrow doorways. □ With its new larger cash box, the 4900S is always hungry! Put it to work in your locations and satisfy your appetite for bigger profits.
