Issue 109

February 22, 1999

Refrigerated vending machines need to be positioned at least 6 inches from any wall to insure adequate ventilation. To assist your customers, GPL is now providing a machine standoff kit with all 427 foodkings. These standoffs are attached to the rear legs of the machine. It is imperative these standoffs are installed on all 427 Food Kings sold to your customers.

Part Number 4611065 Bag Assembly-machine Standoff
