**DATE: 17 May 2001**

**ISSUE: 119**

**SUBJECT: 429 VEND DOOR STOP KIT**

**This kit has been developed to eliminate the possibility of the vend door being allowed to close too far, which could cause an out of service situation. This kit has been incorporated into production beginning with 429-011594 produced on 6-12-01.**

**The part number for this kit is 429-3016 and it is available from the parts department. You may contact the parts department at 800-621-7278.**

**Please see following pages for additional information on the kit.**
