MPC Venders with the above noted Serial Number form were the first MPC Venders manufactured. Since the MPC Vender was introduced enhancements have been made to the vender effecting its performance and use. Some of these enhancements are in the vender program and other enhancements involve hardware. Four kits have been designed to bring these venders up to current performance standards. Please order the kits by the following part numbers:

<u>Style</u>	<u>Ardac Part #</u>	<u>Dixie-Narco Part #</u>
Brown Deluxe/Black Cold Drink	95x55	529,050,30x.x4
Display	95x56	528,050,30x.x4
Pepsi	95x57	531,050,40x.x4
Coke	95x58	530,050,40x.x4

These kits will be made available at no charge until September 1, 1992. Installation instructions will be included in each kit. The kits will be shipped as advance replacement parts with a value of \$188.32 per kit. A credit for \$188.32 per kit will be issued when the old control board is returned to Dixie-Narco.

Some venders in this series have already been converted. Before ordering a kit, please check the vender that the kit is being ordered for to see if it needs conversion. Check the Controller Changer Jones Plug. If it has 12 pins, the vender needs to be converted. If it has 15 pins, the vender has been converted.
