

Technical Bulletin

Bulletin Number: 498 Revision Number: R-001

Release Date: January 16, 1996 Revision Date: February 27, 1996

SUBJECT: VENDING MACHINE WARNING LABEL

MODELS AFFECTED: All Can/Bottle Vending Machines

SERIAL NUMBERS AFFECTED: S/N 0001-6299AU and higher have a label placed in the cash box. (Includes production runs 6278 & 6296.)

REASON: In cooperation with the U.S. Consumer Product Safety Commission, Dixie-Narco has developed a warning label to remind consumers that serious injury or death may result from rocking or tilting can/bottle vending machines. You are strongly encouraged to use the label. This label is available upon request.

Warning Label

803,843,640.01

Installation:

1. Affix **LABEL** on the front of the vending machine in a location that will be seen by the consumer and which will provide the consumer with a clear, unobstructed view of the label.
2. Dixie-Narco strongly recommends a label be installed on all Dixie-Narco vending machines.
3. On New Dixie-Narco vending machines, the label will be placed in the cash box. Upon receiving the vender and before placing it on location, affix the label as indicated in number 1 above.
4. For Dixie-Narco venders already in the field, please call and order the above warning label by part number and description.
